Customize Claude for the best results

Connectors bring your apps and data into Claude to complete tasks. Plugins combine connectors and skills to complete workflows.

Browse connectors Explore plugins

Bring your tools to Claude

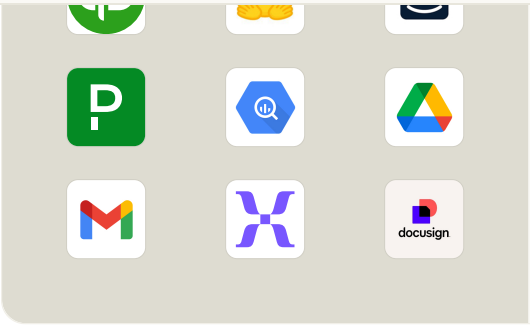

Connect Slack, Google Workspace, Microsoft Office, and more.

Connect across products

Your tools can be connected to Claude Code, Cowork, and Claude on web, desktop, and mobile.

Built for enterprise

Admins control which tools each team can use, and what those tools can do.

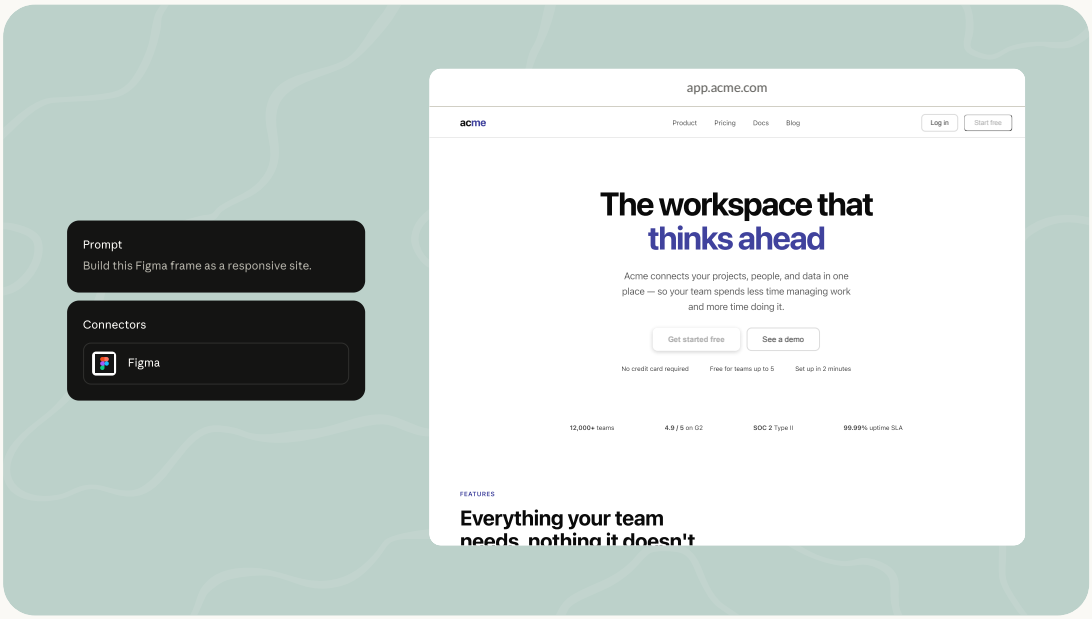

Claude works with your stack

No retrofitting required. Connect the tools you use everyday.

How teams use connectors

Design Development Project management Sales Legal Finance

Turn designs into coded websites

Handing off designs to engineering takes time and leaves room for things to get lost in translation. Connect Figma to Claude and go from frame to responsive, production-ready code in one step.

Consolidated AI spend

Use your existing Anthropic commitment across multiple Claude-powered partner tools.

Enterprise-ready partners

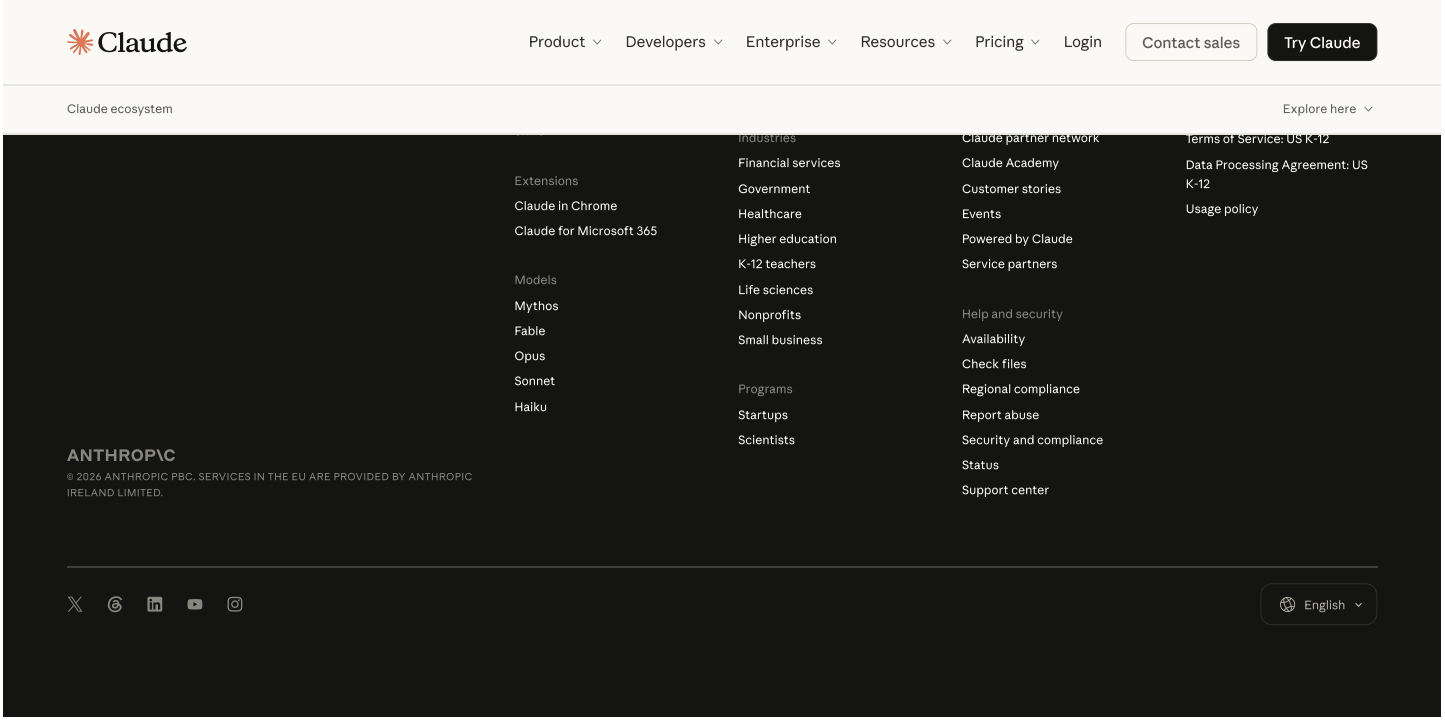

Browse Claude-powered tools built for enterprise teams. Spend less time evaluating, more time building.

Built to scale with you

Add partners as your needs evolve. Your commitment flexes with your organization.
